BRICK MAKING.—Burton Bros., the well known brick dealers of East State street, have commenced moulding brick. The first for this season were made Thursday. Since there are no large brick buildings to be erected this season, only one million common brick will be manufactured.

A good supply of pressed brick will also be made to supply the public demand for artistic masonry. This work affords employment for about fifteen men, whose wages make quite a handsome sum each month.

A NEW BOY.—Was received at the state reform school last night. Frank Shuber was brought up from Portland where he was convicted on a charge of defacing a building. He is committed at the age of 14 years and is the first boy received since the parole of eight boys. There are now at the school 124. The number sent in all is 242. The number out on parole is just as large as the number in the school and will continue to grow larger from this time forward.

ALL PAID UP.—County treasurer Minto has today paid the last instalment of taxes due from Marion county to the state of Oregon. This breaks the record of any county treasurer in Oregon or any treasurer who ever served the people of Marion county.

Mr. Minto has made the saying good when he was nominated that he has kept warrants nearer paid up and less idle money lying in the banks than any treasurer Oregon ever had.

WILL NOT TAKE PLACE.—Several days since an article was published in THE JOURNAL, relating to a local field day, to be held between the East and North schools, on June 13. It is now declared off. It seems, the North school boys wished to incorporate with their team a number of young men not attending their school. This was justly objected to by the East school boys, and as a result, no field day will be had unless a compromise between the two teams can be effected.

ATTENTION, REPUBLICANS.—Members of the Salem Republican club are hereby called to meet at their club rooms this evening. Business of urgent necessity is to be transacted previous to the ball at the opera house. All members are requested to be present at 7:15 sharp. By order of Geo. Rogers, secretary.

KEEP OFF THE GRASS.—Whether your name is Cockey or not, remember that your stock should not live on grass alone, but solid feed is needed, and Brewster & White are better prepared than ever to furnish it. 91 Court street.

POLITICAL POINTS.

Tilmon Ford is in Eastern Oregon to make a few speeches.

The fusion in Polk is driving Democrats and Populists to the Republicans.

Woodburn sent up an immense crowd to hear Hon. H. L. Barkley tonight.

C. B. Moores and General Odell addressed meetings for the Republicans last night.

F. F. Post, of Linn county, who was at Salem for some time past, went to Polk yesterday to make a few Republican speeches.

Jenk Harding says he could have told nearer what the result would be before he left home than he can now since being out two weeks.

Owing to pressure of campaign matter and other business, THE JOURNAL will be obliged to forego its usual custom and will be published on Memorial day.

The Salem Republican club is called to meet this evening at the club rooms over Cross's meat market at 7 p. m. to meet the Republican candidates and proceed with them to the opera house.

Old soldiers who wore the blue, should turn out to hear Comrade E. W. Chapman, of Brooks, the Grand Army man of the Republican representative ticket. He is a worthy member of the order and should be welcomed most cordially.

Mrs. Mary E. Hobart, of New Whatcom, Wash., will speak at the armory Saturday night. She advocates the Populist cause. The lady appeared at McMinville today and will appear at the Riekey school tonight.

Capt. J. B. Dimick of Woodburn, Post commander of the Grand Army at Hubbard, who has been with the Republican candidates at many points, is in the city today and represents the report that he is no longer a true blue Republican. He is loyal to the entire ticket.

The Pops closed their campaign with a big rally at the armory last night. Bud Chapman, as chairman, was in charge of the meeting and at 8 o'clock he summoned to the rostrum T. J. McClary, K. L. Hibbard, L. M. Wagner, G. P. Cadwell, F. A. Meyers, H. Cleveland and R. R. Ryan. All made the usual speeches and were well received.

A good delegation of the Lincoln Republican club of Woodburn, is in city to see the fight on the legislative ticket to a finish. Six hundred loads of loyal Woodburnites have gone with the ticket all over the county and been a great source of inspiration to success, and Woodburn precinct will be heard from June 1st.

An Honest and Competent Man.

No man can make a mistake in voting for John Lewis for assessor of Marion county. There is no politics in this office, and if Mr. Lewis is elected he will make an honest and uniform assessment, and he will not stand up the county in the way of perquisites. There will be no favoritism, but a square deal all along the line and a great saving to the burdened taxpayer. Try him.

COUNTY TAXES.—The sheriff today turned over the sum of \$12,000 to county treasurer Minto who immediately turned it over to the state treasurer and wiped out last dollar of taxes due the state. The money didn't lie in a bank a minute after it reached Jap Minto's hands. No wonder that bankers who want to handle the public funds are fighting Jap Minto.

WILL MOVE.—On June 1st Kenworthy & George, the popular caterers, expect to be installed in their new home at No. 106 State street, they having purchased the fixtures of the Royal. They will move right away and by the 1st will be better prepared than ever before to serve the finest meals in the city on short notice.

THE TITAN SHOWS.—Among the marvelous features of Bond Brothers' famous exhibitions which will erect its many Mammoth tents for exhibition at Salem, June 10.

OPEN ALL THE TIME.—From 9 a. m. to 9 p. m. every day, ring the blue boxes or telephone for a bicycle messenger.

AFTER BRIDGES.—County Judge Hubbard rode thirty miles this forenoon in the direction of Fairfield and St. Louis looking after county bridges.

\$100 Reward \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its ages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CURENEY & CO., Toledo, O. Sold by druggists, 75c.

A SILVER DEMOCRAT.

C. A. Coryell, Press Representative of Bond Circus.

A tall handsome intelligent western New Yorker, bearing the above title, is in the city, billing the Bond Bros. show. He is a frank and outspoken silver man and says there are a great many silverites in the interior of New York. His home is at Binghamton and that county elected a silver sheriff last fall. There is a good deal of the shrewd business man and Yankee about Mr. Coryell and he is playing for a full house for his show.

He says: "When you offer to meet a gold man half way and propose to coin the two metals at a parity, he refuses and says you have got to concede all he asks and that he will yield nothing. The American people will never compromise with the goldites on their haughty terms."

David B. Hill is a silver man. At a recent banquet when asked how he stood on silver, he said he would go Mr. Teller, of Colorado, one better and favor the coinage of silver at 154 to 1, the old constitutional limit."

Mr. Coryell said times were getting better mightily slow in the empire state.

IMPROVEMENT NOTES.

Dr. Cusick is improving his residence property on the corner of Commercial and Center streets, by filling up his grounds. The earth from the big sewer ditch is being used.

The new Odell residence, on east State street, is "raised," and the work is being pushed by Welch Bros.

J. B. Putnam is making improvements on his place east of the city.

The Burton brick yard have resumed work for the season, and will grind out the usual quality of building material.

C. F. Shipp has commenced work on the new barn and carriage house for Hon. Phil. Metchan.

CHEMAWA.

Mrs. Silverstein is very sick at present.

Capt. Pratt, superintendent of the Carlisle Indian training school and his daughter, visited the school Monday. Mr. Pratt says that the boys who were transferred from here to his school two years ago, are all getting on nicely.

Rev. Burdette preached at the chapel Sunday evening.

Mr. Laufman of Illinois, is at present visiting relatives at the school.

Dr. Heineman, supervisor of Indian schools, has been a visitor at the school during the last few days. He left Wednesday evening to visit other Indian schools in the state.

Dr. Mott paid a professional visit to the school Tuesday.

DIED.

HIRSCH.—At the family home, Los Angeles, Cal., Mrs. Bernard Hirsch, May 28, 1896, of pneumonia, after an illness of one week.

Mrs. Ed. Hirsch of this city, was present at her demise, being there on a visit. Deceased is well known at Salem, as formerly Miss Eva Meyer. Mr. Hirsch was formerly in business at Salem, and is a nephew of Hon. Ed. Hirsch of Salem.

To WED.—A license was issued today to Al. A. McCormick to Miss G. M. Schmidt, J. H. McCormick, witness. The ceremony will take place Sunday, at the Catholic parsonage. [Miss Schmidt is a twin sister of Mrs. Fay Wrightman of Sublimity.]

Electric Bitters is a medicine suited for any season, but perhaps more generally needed when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, Indigestion, Constipation, Dizziness yield to Electric Bitters. 50 cents and \$1.00 per bottle at Fred A. Legg's Drug store.
